

All-in-One stand:

The innovative All-in-One concept makes trade fair presentations convenient, inexpensive and highly efficient. The offer comprises a compact stand – the All-in-One stand – and all the necessary services. It takes the concept of a turnkey stand to a new and improved level. The package meets all your needs from a single source and allows you to concentrate on a trade fair's most crucial task – focusing on customers and making new business contacts.
